13. Whoever the Collector has reason to believe that any statement or return mentioned in section eleven or section twelve is incorrect or incomplete, he may cause a notice to be served on the Treasurer, Secretary, Agent or Manager by whom such statement or return was delivered, requiring him, on or before a day to be mentioned in the notice, to attend at the Collector's office and to produce for the inspection of the Collector such of the accounts of the Company as refer to the year mentioned in section eleven or section twelve (as the case may be) and as are in the possession or power of such Treasurer, Secretary, Agent or Manager.

The Collector shall thereupon make an order determining the amount at which the Company shall be assessed under this Part and the day on which such amount shall be paid, and, subject to the provisions hereinafter contained, such sum shall be payable accordingly.

16. Every person empowered to pay such interest shall deduct the duty at the place where the interest is paid,

and shall, as soon as may be after making such deduction, pay the same to the credit of the Government of India, or as such Government from time to time directs:

Provided that no such duty shall be deducted from the interest on any such security where the owner thereof produces a certificate signed by the Collector that his annual income, including such interest, is less than seven hundred and fifty rupees.

PART V.

DUTIES ON ALL OTHER INCOME AND PROFITS.

17. A yearly duty of two pies for every rupee shall be levied upon all income of seven hundred and fifty rupees per annum or upwards not chargeable under Part II, Part III, or Part IV of this Act.

18. The trustee, guardian, curator, or committee of any infant, married woman subject to the law of England, lunatic, or idiot, and having the control of the property of such infant, married woman, luna-

tic, or idiot, whether such infant, married woman, lunatic or idiot resides in British India or not, shall, if the infant, married woman, lunatic or idiot be chargeable under this Part, be chargeable with the said duty in like manner and to the same amount as would be charged to such infant, if of full age, or to such married woman if she were sole, or to such lunatic or idiot if he were capable of acting for himself.

Any person not resident in British India, whether a subject of Her Majesty or not, being in receipt, through an agent, of any income chargeable under this Part, shall be chargeable in the name of such agent in the like manner and to the like amount as he would be charged if resident in British India and in actual receipt of such income.

19. Every trustee, guardian, curator, committee or agent shall, when required by the Collector, deliver a statement signed by him, of the amount of the income in respect whereof he is chargeable on account of such infant, married woman, lunatic, idiot or non-resident, together with a declaration of the truth of the statement.

The Collector shall have power to serve a notice upon any person whom he has reason to believe to be a trustee, guardian, curator, committee or agent requiring him to deliver on or before a day to be specified in the notice a statement signed by him of the names of the persons for or of whom he is trustee, guardian, curator, committee or agent.

20. Receivers or Managers appointed by any Court in India, the Courts of Wards, the Administrators General of Bengal, Madras and Bombay, and the Official Trustees, shall be chargeable under this Act in respect of all income officially in their possession or under their control.

21. When any trustee, guardian, curator or committee, or agent is assessed under this Act in such capacity;

or when any receiver or manager appointed by any Court, Court of Wards, Administrator General, or Official Trustee is assessed under this Act in respect of the income and profits officially received by him;

every person and Court so assessed may, from time to time, out of the money coming to his or its possession as such trustee, guardian, curator, committee or agent, or as such receiver, manager, Court of Wards, Administrator General or Official Trustee, retain so much as shall be sufficient to pay the amount of the assessment.

Every such person and Court is hereby indemnified for every retention and payment made in pursuance of this Act.

22. Owners of lands or of houses occupying the same shall be chargeable in respect of the annual value thereof at nine-tenths of the full rent at which such lands or houses are worth to be let for the year.

The Local Government may, with the sanction of the Governor General in Council, prescribe, for the whole or any part of the territories subject to such Local Government, special rules for the assessment of incomes derived from land, at an amount bearing a fixed proportion to the revenue assessed thereon.

All such rules shall be published in the local official Gazette and shall thereupon have the force of law.

23. In the case of every person chargeable under this Part whose annual income or profits are in the Collector's opinion on four thousand rupees or upwards, the Collector shall,

and in the case of every other person so chargeable,

the Collector may

cause a notice to be served on him requiring him to fill in a return of his income during one year ending on the day of the year immediately preceding the year of assessment on which his accounts have been usually made up or on the thirty-first day of March 1871, and to state in such return the period during which such income has actually accrued.

Such notice shall be in the form to be prescribed by the Governor General in Council, and shall specify the day by which the return is to be made, and the place of the Collector's office at which the return is to be made.

Every such notice shall be signed by the Collector.

The form of the return shall accompany the notice.

24. Every person on whom such notice is served shall send to or deliver at the Collector's office the return duly filled in and signed by him.

A declaration shall be added by such person at the foot of the return, (a) that the income stated therein is truly estimated on all the sources therein mentioned, (b) that it has actually accrued within the period therein stated, and (c) that he has no other source of income.

25. Every person, when required so to do by a notice in the form to be prescribed by the Governor General in Council shall, within the period mentioned in such notice, prepare and deliver to the Collector a list containing, to the best of his belief, the name of every lodger or inmate resident in his dwelling-house, and of any other persons receiving salary or emoluments amounting to sixty-two rupees eight annas per mensem or upwards, employed in his service, whether resident in such dwelling-house or not, and the place of residence of such of them as are not resident in such dwelling-house, and also of any such lodger or inmate who has any ordinary place of residence elsewhere, at which he is liable under this Act to be assessed, and who desires to be so assessed at such place.

Such lists shall be signed by the persons respectively delivering the same, and shall be prepared in the form to be prescribed as aforesaid.

26. The Collector shall from time to time determine what persons are chargeable under this Part, and the amount at which every such person shall be assessed,

and in making such assessment income exempted under section seven shall be treated as chargeable under this Part.

27. Every such assessment shall be made upon the full amount of such person's income during the year ending on the day of the year next before the year of assessment on which his accounts have been usually made up, or on the thirty-first day of March 1871.

In the case of a person for the first time becoming chargeable under this Part within the year of assessment, or within the year next before such year, the assessment shall be made according to an average of his income for such period as the Collector, under the circumstances, directs.

28. The Collector shall cause a notice to be served on every person chargeable under this Part, stating—

(1).—The name and the profession, trade or other source of the income of such person, or in respect of which he is chargeable;

(2).—The year or portion of the year for which the duty is to be paid;

(3).—The place or places, district or districts, where such income accrues; and

(4).—The amount to be paid; and requiring him within fifteen days from the date of the service either to pay such amount or to apply to the Collector to have the assessment reduced or cancelled.

29. Such amount shall be paid to the Collector, or, who shall give a receipt for such payment to the person making the same:

Provided that, if such income accrues at or in more than one place or district, the receipt shall be granted and payment made by and to the Collector for the place or district at or in which the person mentioned in the notice resides, or (in the case of a firm) at or in which its principal place of business in British India is situate.

Every such receipt shall be signed by the Collector granting it, or by such other officer as he shall from time to time empower in this behalf, and such signature shall be judicially noticed.

30. Every such receipt shall specify—

(1).—The name and source or sources of the income of the person by or on whose behalf the duty is paid;

(2).—The year or portion of the year for which the duty is paid;

(3).—The amount paid, and the date of payment; and

(4).—The place or places, district or districts, where the income accrues;

and shall be admissible as evidence of all matters contained therein.

PART VI.

PETITIONS AND APPEALS AGAINST ASSESSMENTS.

31. Any person objecting to the amount at which he is assessed, or denying his liability to be assessed under Part V, may apply by petition to the Collector in order to establish his right to have the assessment reduced or cancelled;

Such petition shall ordinarily be presented within fifteen days from the date of the service of the notice mentioned in section twenty-eight. But if the Collector is satisfied that the objector has not received such notice, the petition may be presented within fifteen days from the day on which in the Collector's opinion he became aware of the assessment:

Provided that no person served with a notice under section twenty-three shall be entitled to apply by petition under this section unless he has made the return required in such notice on or before the day therein mentioned, or unless he satisfies the Collector that he had a sufficient excuse for not making such return.

The petition shall be in the form contained in the schedule hereto annexed, or as near thereto as circumstances admit, and the statements therein contained shall be verified by the petitioner or some other competent person in manner required by law for the verification of plaints.

32. The Collector shall fix a day and place for the hearing of the petition, and, on the day and at the place so fixed, or on the day and at the place (if any) to which he has adjourned such hearing, shall hear such petition and pass his order thereon.

Such order may be in favour of the petitioner, or it may simply reject the petition, or it may reject the petition and enhance the petitioner's assessment to an amount to be specified in the order.

If the order be in favour of the petitioner, the Collector shall at once refund the fee on the petition.

If the order simply reject the petition or reject the petition and enhance the petitioner's assessment, the petitioner shall within fifteen days from the passing of the order pay the amount mentioned in the said notice or in the order of enhancement (as the case may be).

33. Any person dissatisfied with any order under section thirteen or section thirty-two may, within fifteen days from the date thereof, on payment of the sum payable under such order, present a petition of appeal to the Commissioner of Revenue of the Division, whose order upon such appeal shall be final.

The time requisite for obtaining a copy of the order shall be excluded in computing the said period of fifteen days.

The order of such Commissioner shall be final. It may be in favour of the petitioner, or it may simply reject the petition, or it may reject the

petition and enhance the assessment to an amount to be specified in the decision.

If the order rejects the petition and enhances the assessment, the petitioner shall within one week from the passing of the order pay the amount mentioned in the order of enhancement.

Every petition presented under this section shall be accompanied by a copy of the petition to the Collector, and a copy of the Collector's order thereon and a list of the documents (if any) on which the appellant relies.

Neither of such copies shall be chargeable under the Court Fees Act.

When the decision on such appeal is in favour of the petitioner, the value of the fee on his petition of appeal, and (where he has presented a petition to the Collector) the fee on such petition, together with the excess paid by him, or (when the decision is that the petitioner, or the Company which he represents, is not chargeable under this Act) the whole sum so paid, shall at once be refunded.

34. The Collector or Commissioner may summon any person whom he thinks able to give evidence for the purpose of enabling him to determine how the petitioner, or the Company which he represents, should be assessed, and may examine on oath the person so summoned and the petitioner, and may require each of them to produce any documents in his possession or power relating to the sources of the income in question.

35. Whenever the Collector has reason to believe that, in assessing any person under this Act, any source of income not specified in the receipt granted to him under section twenty-nine has been overlooked, which source, if it had then been known to exist, would have increased the assessment, the Collector may cause a further notice to be served on such person, stating the amount to be paid in respect of such source.

The provisions contained in sections twenty-eight to thirty-four (both inclusive) shall apply to such notice and regulate the procedure thereunder.

PART VII.

PAYMENT AND RECOVERY OF DUTIES.

36. All duties under this Act, except when they are deducted under section eight, section nine, or section sixteen shall be payable on the first day of April 1871:

Provided that the amount so payable may be paid by two equal instalments: the first instalment to be paid on some day not later than fifteen days after service of the notice mentioned in section twenty-eight upon the person paying the same, and the second instalment on the first day of October next.

37. In any case of default under this Act, the Collector may, if a notice has been served on the defaulter requiring him to pay, within fifteen days from the date of the

service, the amount of the duty or instalment due by him under this Act, either recover a sum not exceeding double the amount as if it were an arrear of land-revenue,

or pass an order that a sum not exceeding double the amount of such duty or instalment shall be recovered from such defaulter.

Every such order shall have the force of a decree of a Civil Court in a suit in which the Government is the plaintiff and the defaulter is the defendant; and such order may be enforced in manner provided by the Code of Civil Procedure for the enforcement of decrees for money and the procedure under the said Code in respect of the following matters:—

- (a) sales in execution of decrees
- (b) arrests in execution of decrees for money;
- (c) execution of decrees by imprisonment;
- (d) claims to attached property; and
- (e) execution of decrees out of the jurisdiction of the Courts by which they were passed,

shall apply to every execution issued for levying the monies mentioned in such order, save that all the powers and duties conferred and imposed by the said Code upon the Court shall be executed by the Collector by whom such order has been made or to whom a copy thereof has been transmitted for execution according to the provisions of the said Code, section two hundred and eighty-six:

Provided that, where any person has presented a petition under section thirty-one, such sum shall not be recoverable from him unless, within fifteen days from the passing of the order thereon, he fails to pay the amount (if any) required by such order.

On the recovery of such sum from the defaulter, the Collector shall grant him a receipt without any further payment.

Every such receipt shall bear date from the recovery of the amount, and, save as aforesaid, the provisions of this Act relating to receipts shall apply to receipts granted under this section.

38. If during or within two months from the end of the year for which any assessment under Part V has been made, the Company or

person assessed proves to the satisfaction of the Collector, that the nett profits or income of such Company or person during such year fell short of the sum so assessed, the Collector may cause the assessment made for such year to be amended as the case requires, and if the sum assessed has been paid, may refund the sum overpaid.

In case any Company or person assessed under Part III or Part V ceases to carry on the trade or business in respect whereof such assessment was made, or if any such person dies or becomes insolvent before the end of the year for which the assessment was made, or if any such Company or person is, from any other specific cause, deprived of or loses the income on which the assessment was made,

such Company or person or its or his representative in interest may apply to the Collector within three months after the end of such year, and on proof thereof to his satisfaction, the Collector shall amend the assessment as the case may require, and give such relief to the Company or

person charged as is just, and in cases requiring it, the Collector shall refund such sum as has been overpaid on the assessment amended or vacated.

PART VIII.

PENALTIES.

39. Every Treasurer, Secretary, Agent, Manager, or other person failing to make payments or deliver returns, or to prepare and deliver in due time any statement or return, or to produce any accounts, required by section nine, ten, eleven, twelve or thirteen,

and every trustee, guardian, curator, committee, or agent failing to deliver any statement or declaration required by section nineteen,

shall, for every day during which such default continues, be fined, on conviction before a Magistrate, ten rupees.

The Commissioner of the Division shall have power to remit wholly or in part any penalty imposed under this section.

40. Whoever makes a statement in any declaration or list made or delivered under section twenty-four or twenty-five, which is false, and which he either knows or believes to be false or does not believe to be true, shall be deemed to have committed the offence described in section one hundred and seventy-seven of the Indian Penal Code.

Whoever makes a statement in any petition presented under section thirty-one which is false, and which he either knows or believes to be false or does not believe to be true, shall be deemed to have intentionally given false evidence in a stage of a judicial proceeding.

41. No person shall be proceeded against for any offence under section thirty-nine or section forty except at the instance of the Collector.

42. In sections one hundred and ninety-three and two hundred and twenty-eight of the Indian Penal Code, the words "judicial proceeding" shall be taken to include any proceeding under this Act.

PART IX.

MISCELLANEOUS.

43. No suit shall lie in any Civil Court to set aside or modify any assessment made under this Act.

44. All or any of the powers and duties conferred and imposed by this Act on a Collector and on a Commissioner of Revenue may be exercised and performed by such other officers or persons as the Local Government shall from time to time appoint in this behalf.

45. Service of any notice under this Act shall be made by delivering or tendering a copy thereof under the signature of the Collector.

Whenever it may be practicable, the service of the notice shall be on the person therein named, or, in the case of a firm or a Hindú undivided family, on some member thereof.

46. When any Company or firm has several places of business in the territories subject to different Local Governments, the Governor General in Council shall have power to declare which of such places shall, for the purposes of this Act, be deemed to be the principal place of business, and when any Company has several Agents or Managers, which of them shall, for the purposes of this Act, be deemed to be the principal Agent or Manager.

When any Company or firm has several places of business in the territories subject to a single Local Government, such Government shall have power to declare which of them shall, for the purposes of this Act, be deemed to be the principal place of business.

When any person has several places of residence in the territories subject to different Local Governments, the Governor General in Council shall have power

to declare which of such places shall, for the purposes of this Act, be deemed to be his residence, and when any person has several places of residence in the territories subject to a single Local Government, such Government shall have power to declare which of such places shall, for the purposes of this Act, be deemed to be his residence.

The powers given by this section may be delegated to and exercised by such officers as the Governor General in Council or the Local Government, as the case may be, shall from time to time appoint in this behalf.

Power to prescribe forms and make rules.

47. The Governor General in Council may from time to time

(a) prescribe forms for the returns, notices and lists hereinbefore mentioned,

(b) make rules consistent with this Act for the Governor General in Council empowered to guidance of officers in matters connected with its enforcement, and

(c) delegate to any Local Government the powers given by this section, clause (b), so far as regards the territories subject to such Government.

No. 37.

Simla, the 21st April 1871.

From Her Majesty's Secretary of State for India, to His Excellency the Right Hon'ble the Governor General of India in Council, (No. 80, dated India Office, London, the 10th March 1871.)

Para 1. In continuation of my Financial despatch dated the 5th January last, No. 2, I have to request that the rate of exchange therein fixed for officers' remittances and effects may be adopted by you in the recovery in India from Civil Engineers, Mechanics, and others, of the portions of their salaries which have been made payable to their families in this country.

2. I take this opportunity of informing you that the privilege of making family allotments will, for the future, as a general rule, be strictly confined to the class of mechanics, boiler-makers, &c., who would probably find it very difficult to make remittances through ordinary channels. Special cases, however, will be considered and decided on their merits.

Ordered, that the above despatch be published in the *Gazette of India*.

No. 8.

To all Zillah Judges and Judicial Commissioners,—(dated Calcutta, the 6th April 1871.)

I AM directed to forward herewith for your information and guidance, and for communication to the Moonsiffs subject to your control, the amended rule given below, which has been framed at the instance of His Honor the Lieutenant-Governor of Bengal, for the guidance of the police employed on escort duty in connexion with remittances made by Moonsiffs, and to state that the present instructions should be regarded as superseding those conveyed in Circular Order No. 9, dated 13th July 1868, which is hereby cancelled.

By order, &c.,

(Sd.) W. M. SOUTTAR,

Offg. Registrar.

AMENDED RULE.

Rule 26.—Where Moonsiffs' Courts exist, a day in each month will be fixed by the Judge on which the money will be paid over to the police for transmission to the treasury.

Clause I.—The Moonsiff will give notice at the police station on the day before the guard is required, and the police officer in charge will himself, on the day appointed, proceed to the Moonsiff's catcherry with a guard as directed in the above instructions.

Clause II.—The money will then be counted in the presence of the officer in charge of the guard and placed in a bag, which will then and there be sealed and made over to the guard, who will forthwith proceed with it to the treasury or sub-divisional treasury. The officer in charge will be furnished with a memorandum of the amount.

Clause III.—The police officer will cause the bag and seal to be inspected in his presence by the treasury officer to whom it is addressed; and while held responsible for the total amount in the bag, he will not, provided the bag and seal show no signs of being tampered with, be called on to replace any light or spurious coin that it may contain.

Clause IV.—The above rules apply to small remittances made by Moonsiffs in bags. Larger remittances will be sent more securely packed.

Clause V.—The provisions of paragraphs 12 and 18* apply equally to the transport of all remittances from Moonsiffs' Courts. If a remittance be in copper coin, and exceeds six seers and one pounce in weight, coolie labor should be employed.

Clause VI.—Should any necessity arise for a second remittance during the month, the same course will be pursued on due notice being given at the police station.

* Paragraphs 12 and 18 alluded to above.

"12. Under ordinary circumstances the strength of escorts shall be as follows:—

For Prisoners.

For one to three prisoners ... 2 constables.
 " four to six prisoners ... *3 ditto.
 * Of these, one man to act as head constable.

For Treasure.

For sums not exceeding Rs. 30, a single constable of known integrity and trustworthiness.

N.B.—If such an officer be not available, two constables should be sent.

For any amount above Rs. 30, and not exceeding Rs. 250, two constables.

For Rs. 250, and up to Rs. 500, three constables.

N.B.—One of these should act as head constable.

When the sum of money transmitted under the escort of the police does not exceed Rs. 500, it should be carried by the police themselves without the employment of coolie labor.

For any amount above Rs. 500, and not exceeding Rs. 1,000, four constables.

N.B.—One of these should act as head constable.

For any sum above Rs. 1,000, and not exceeding Rs. 10,000, a regular guard of at least one head constable and four constables.

For upwards of Rs. 10,000, and not more than one lakh, one head constable and eight constables.

For one to two lakhs, two head constables and twelve to sixteen constables.

Above two lakhs, one sub-inspector and two head constables, and sixteen to twenty constables, and so on; for each lakh above two lakhs four constables in addition, and officers in proportion.

When treasure is escorted by rail, a head constable and two constables are deemed sufficient; but during the transit of the treasure to the railway van, or from it, a proper guard of full strength as above must be provided.

When treasure is conveyed by steamer, a guard of one head constable and six armed constables should be detailed with any amount not exceeding one lakh. The men should furnish one sentry by day and two by night, if necessary. With a despatch of treasure exceeding one lakh, the guard should be increased in proportion up to a maximum of twelve constables.

For seven to twelve prisoners, one head constable and 4 constables.

For thirteen to eighteen prisoners, one head constable and 6 constables.

For nineteen to twenty-four prisoners, one head constable and eight constables, and so on in proportion.

N.B.—When a guard of more than 8 men is deemed necessary, additional head constables should be allowed in proportion.

"13. All arrangements as regards carriage will devolve upon the officer to whom the escort is supplied, and will not in any way form part of the duty of the police. Prisoners and treasures should not, unless under special circumstances, be sent together."

Notification.

The Commissioners for making Improvements in the Port of Calcutta, with the sanction of His Honor the Lieutenant-Governor of Bengal, hereby declare that Jetties, No. 1 to 4, situate on the east bank of the port below Armenian Ghât, are ready for receiving, landing, and shipping goods from and upon sea-going vessels.

By order of the Commissioners,

W. D. BRUCE,
Vice-Chairman.

The 25th April 1871.

Commissioners for making improvements in the Port of Calcutta.

Report of the Auditors upon the accounts for the half year ending 31st March 1871, published under the provisions of Section LIII. of Act V. (B.C.) of 1870.

TO THE COMMISSIONERS FOR MAKING IMPROVEMENT IN THE PORT OF CALCUTTA.

Calcutta, 22nd April 1871.

GENTLEMEN,

We, the Auditors appointed under Section 53 of the Calcutta Port Improvement Act, have the honor to report that we have examined and audited the accounts of the Commissioners for the half year ending the 31st March 1871, and we find the income to have been Rs. 12,78,131-10-8, and the outlay Rs. 9,88,280-4-9, as set forth in the annexed statement of receipts and expenditure. We also find the value of the several works, machinery and plant, representing the "block" of the trust, to be Rs. 8,86,102-5-5, and the balance to be Rs. 2,91,851-5-11, of which Rs. 38,275-6-5

* In Bank, Rs. 2,53,324-9-1	is due from Government,
In Chest, " 231-6-6	and Rs. 2,53,575-15-6*
Total, Rs. 2,53,575-15-6	cash, in chest and in Bank
	of Bengal, as set forth in

the annexed statement of assets and liabilities of the trust.

1. We note that a sum of Rs. 8,957-7-6 has been credited to Establishment Revenue, and debited to new works on account of supervision, and further that no charge has been made to Revenue on account of depreciation, or wear and tear of works, machinery, and plant. Though such a charge was perhaps unnecessary in the operations of the first half year of the trust, we consider that provision should be made for this charge to Revenue in future years.

2. We have examined the vouchers for every entry of receipt and disbursement shown in the cash book, and ascertained that each item has been carried to its proper sub-head through the several books. We have examined the pass books of the Bank of Bengal, and found that all monies shown to have been collected have been duly paid into the Bank; and also that the balance above mentioned, Rs. 2,53,824-9-1, is acknowledged by the Bank's certificate. We have also ascertained that all charges to works and establishments are covered by proper sanction.

3. We further beg to state that the audit has been duly completed after notice as provided by the Act, but the examination of the books and vouchers has been carried on from month to month, as affording the means of a closer check than could be obtained after the close of the half year.

4. The several books, as set forth in pages 85 and 86 of the memorandum by the Collector of Customs and the Vice-Chairman, have been kept in a very satisfactory manner by the accountant, Mr. Jebb.

We have the honor to be,

Gentlemen,

Your obedient Servants,
